

NATIONAL RED RIBBON WEEK

OCTOBER
23 - 31

Celebrate life.
Live drug free.

Join our community
and take a stand
against illegal drugs.

Red Ribbon Week began in response to the murder of Drug Enforcement Administration Agent (DEA), Enrique Camarena, who was taken by five men on his way to have lunch with his wife. His body was found, tortured, one month later. In honor of his memory and his belief that even one person can make a difference in the fight against illegal drugs, his community began to wear red, satin badges. This inspired communities across America to join the movement and take a stand.
